

Preliminary request for the release of data and/or biological material from the Estonian Biobank of the Institute of Genomics, University of Tartu*

<p><u>Information about the applying institution:</u> <i>Institution:</i> <i>Address:</i> <i>Phone:</i> <i>E-mail:</i></p>
<p><u>Purpose of the application (request for data and/or biological material):</u></p>
<p><u>Criteria for genetic data, phenotype data and other potential characteristics (ICD10) with which the sample of data and/or biological material should comply:</u></p>
<p><u>Required amount of biological material per gene donor (concentration or amount in micrograms (µg):</u></p>
<p><u>Required number of samples:</u></p>
<p><u>Research project(s) for which the material and/or data are required:</u></p> <p><i>Description and justification of the study / project:</i></p> <ul style="list-style-type: none">• <u><i>title of the research project:</i></u>• <u><i>participating institutions:</i></u>• <u><i>responsible investigator and main performers of research:</i></u>• <u><i>end date of the research (dd.mm.yyyy):</i></u>
<p><u>Applicant:</u> <i>Name:</i> <i>Position:</i></p>

* In case a positive evaluation for the research project has already been issued by the Estonian Committee on Bioethics and Human Research, complete the application form.
